

Quick Explanation of the Table Below:

These data are being provided in an attempt to be as transparent as possible about the charity results from Mare Fair 2025.

The table below represents the sum of all money raised at Mare Fair 2025 on behalf of our charities this year.

Fallen Oak Equine Rescue and Rehabilitation received 50% of all funds raised by official Mare Fair events and the remaining 50% was split between the five other charities we chose this year: Rainbow’s Edge Equine, Royal Blessings Rescue, Sixteen Hands Horse Sanctuary, South West Florida Horse Rescue, and Stricker Sunshine Rescue Ranch.

A few events (My Little DUI and WetBrain) inadvertently sent 100% of their funds directly to Fallen Oak; the numbers were adjusted below to make up for this shortcoming for the other charities and ensure an even 50/50 distribution.

The Other Donations section below includes \$814 raised as part of the Whiskey Meet, an unofficial Mare Fair event held by an attendee. They sent \$300 directly to Fallen Oak and directed us to split the remaining \$514 between the other charities.

Photos proving the wire transfer sent to Fallen Oak and the checks sent to the other charities is attached.
